Dear Parents and Guardians of the Class of 2026,

I hope this message finds you well. We wanted to inform you that MCAS scores are now available in ASPEN and that official MCAS Score Reports, provided by the Department of Elementary and Secondary Education (DESE), along with important information regarding your student's graduation requirements, have been mailed out and should be arriving shortly.

To help you better understand your student's score report, we've linked some helpful guides ([Score Report Guide - English](#), [Score Report Guide - Portuguese](#), [Score Report Guide - Spanish](#)). These resources can explain the details of the report and how to interpret your student's results.

If you have any questions, including concerns about available support for students who scored in the "Not Meeting Expectations" range, please don't hesitate to reach out to your student's guidance counselor. We are here to support you and your student in any way we can.

Thank you for your continued partnership.
