

José Soler Scholarship

The José Soler memorial scholarship (\$1000) will be given to a student, of any age, seeking to continue their post-high school/GED education in a certified technical and/or higher education program, **including undergraduate and graduate-level studies**. Ideal candidates will embody the traits that José personified -- community engagement, social consciousness, activism, artistic & intellectual excellence, and 'telling truth to power.' José believed in the power of education, but his passion was also fueled by his lived experience. All candidates will be considered, but those with experience in community organizing are encouraged to apply.

Applications Due April 21, 2025
